## Rotary News

Carl-Wilhelm Stenhammar, the first RI president of Rotary's second century, took office on 1 July, against the backdrop of a successful centennial year marked by worldwide celebrations of the ideals and initiatives that have driven the organization's expansion into 168 countries.

Going back to the basics, Stenhammar said, can help clubs and districts embrace the challenge and opportunity presented by Rotary's motto, Service Above Self, which also is the 2005-06 RI theme.

The new RI president called upon Rotarians to join him in continuing to sponsor projects based on the presidential emphases of education and literacy and water, hunger, and health concerns, as well as those directed at public image.

Quote of the Week:

*"Wisdom lies neither in  
fixity nor change, but in  
the dialectic between the  
two."*

*Octavio Paz*
